1. Online Admission Form

Question

An Online Admission Form allows students to register only if the following conditions are satisfied:

1. Username must be entered.
2. Password must be entered.
3. Valid Email Address must be entered.
4. Privacy Policy checkbox must be checked.

If all conditions are satisfied, registration will be successful.

If any one condition fails, registration should be rejected.

Create a Decision Table for the above scenario.

Requirement Number	1	2	3	4	5
<u>Condition</u>					
Username Entered	F	T	T	T	T
Password entered	--	F	T	T	T
Valid Email	-	-	F	T	T
Privacy Policy Checked	-	-	-	F	T
<u>Action</u>					
Registration successful					T
Registration Rejected	F	F	F	F	

2. Shaadi Application

Question

A Shaadi Application allows users to register only if the following conditions are satisfied:

1. Valid Email must be entered.
2. Name must be entered.
3. Date of Birth must be selected.
4. Privacy Policy & T&C checkbox must be checked.

If all conditions are satisfied, submission will be successful.

If any one condition fails, submission should be rejected.

Create a Decision Table for the above scenario.

Requirement Number	1	2	3	4	5
Condition					
Valid Email	F	T	T	T	T
Name Entered	--	F	T	T	T
DOB selected	-	-	F	T	T
T&C Checked	-	-	-	F	T
Action					
Submission successful					T
Submission failed	F	F	F	F	

3. MakeMyTrip Flight Portal

Question

A MakeMyTrip Flight Portal allows users to search flights only if the following conditions are satisfied:

1. Trip Type must be selected.
2. From Location must be selected.
3. Return Date must be greater than Departure Date.
4. Total Travelers must be less than or equal to 9.

If all conditions are satisfied, flight search results will be displayed.

If any one condition fails, search should be rejected.

Create a Decision Table for the above scenario.

Requirement Number	1	2	3	4	5
Condition					
Trip Type selected	F	T	T	T	T
From Location selected	--	F	T	T	T
Return date > Departure date	-	-	F	T	T

Travelers<= 9	-	-	-	F	T
<u>Action</u>					
Search Result Displayed					T
Search Rejected	F	F	F	F	

4. Raj Travels

Question

A Raj Travels Flight Booking System allows users to search flights only if the following conditions are satisfied:

1. From Location must be selected.
2. To Location must be selected.
3. From and To locations must be different.
4. Return Date must be greater than or equal to Departure Date.

If all conditions are satisfied, flight records will be displayed.

If any one condition fails, search should be rejected.

Create a Decision Table for the above scenario.

Requirement Number	1	2	3	4	5
<u>Condition</u>					
From Location selected	F	T	T	T	T
To Location selected	--	F	T	T	T
Different Locations	-	-	F	T	T
Return date > departure date	-	-	-	F	T
<u>Action</u>					
Flight results displayed					T
Search Rejected	F	F	F	F	

5. IDBI Bank Demat Account Application
